# Tan Eu Wen

## IT Graduate

I am a dynamic team player with leadership capabilities, driven by a passion to overcome challenges and consistently achieving desired results in my professional pursuits. I believe the importance of integrity and innovation, always willing to exceed expectations and go above and beyond. I firmly believe that effective time management and discipline are crucial elements in becoming a well-rounded individual. In addition to my professional endeavors, I have a keen interest in cybersecurity and making a positive impact on my surroundings.

## Experience
